Dear Interested Vendor:

We appreciate your interest in participating in our 2022 festival. Please be sure to read the entire application. **This is not a contract and this application of interest does not guarantee space.** As we are a smaller event, we do try to limit product overlap to the best of our ability.

Please submit this application via email to DallasPARotary@gmail.com. We will email confirmation of receipt of this application. Our team will review and will advise if space is available and send the further vendor information when we are able.

Note, applications that are not completely filled out will not be considered. Applications will be processed and reviewed in the order of receipt and product type.

We are a rain or shine event. In the event that we are not able to include you this year, we will retain your information for future events and festivals!
